

1 On 1 Email Consultation Instructions

Please go through ALL of the 1 Hand Backhand Solution material in the program and prepare a list of all questions you may have. Wait until you finish the entire program so that you have your entire list of questions ready.

Send your questions via email to tenniscoaching@me.com please use this address ONLY.

Use “1 Hand Backhand Solution Questions” as your subject line in the email. Please use this subject line ONLY so that I can find your email easily and respond to you quickly.

Please allow up to 48 hours to receive individualized answers to your questions. Because of all the emails I receive daily, failure to follow these directions may cause your email to become “lost.”

If you do follow these instructions, I will provide you a quick and detailed response. I am really looking forward to helping you with your forehand and the rest of your tennis game.

Committed to your success,
